CHANGES TO THE PRACTICE

SCRIPTS:

Some of our Doctors have introduced “**Hallway Scripts**”. This means you may qualify for a repeat prescription without having to make an appointment with your Doctor. Please speak to your Doctor or one of our receptionist to see if this will work for you.

IMMUNISATION HISTORY FORMS:

We have added a fee for this service as this form is very time consuming to complete. The fees are:

\$50.00 for 1 child

\$70.00 for more than 1 child

NON-ATTENDANCE FEE:

Our Practice has a 24hour cancellation policy for any changes and/or cancellations. This allows enough time for your appointment to be reallocated to another patient. Patients who fail to give 24 hour’s notice will incur a non-attendance fee. Unfortunately no further appointments can be made until this fee is paid in full. Currently our fee is \$38.00
