COVID – 19 Vaccines

In an ever-changing COVID world, the recommendation for the Vaccine is also changing. Please speak to your doctor to get all up to date information.

COVID Vaccine Certificates

To obtain a copy of your COVID vaccine certificate you will need to log into your MyGov Account or download the Medicare App. You will be able to save or print your certificate.

For a small fee we can print this for you.
Please speak to reception.

We will be re-painting the practice and getting new flooring in the rooms.

We apologise for the disruption this may cause, and hopefully get through it as quickly as possible.

Please Be Patient

It has been a very stressful time for all our patients and staff at Pacific Pines Medical Centre during COVID. Our staff will always do their best to make appointments and accommodate everyone. We request for everyone to be patient during this time.
