**Out-of-Pocket Expenses** – If your referred to Pathology, Radiology or Specialists you may have an out-of-pocket-expense. This will occur if they charge above the schedule fee. When you make your appointment, you can ask if you will receive any out-of-pocket expenses.

### **NON-ATTENDANCE FEE**

Our Practice has a **24 Hour** cancellation policy for any changes and/or cancellations. This gives us enough time for your appointment to be reallocated to another patient. We understand that your time is valuable and so is the time of our Doctors. Patients who fail to give 24 hour's notice will incur a non-attendance fee. Unfortunately, no further appointments can be made until this fee has been paid in full.

### **PHONE CALLS**

The doctors usually do not like to be interrupted during a consultation unless the matter is urgent (e.g. chest pain, sudden collapse).

Our receptionists will take messages and returned calls will be made at the Doctors earliest convenience.

### **HOME VISITS**

We do home visits for patients who are unable to attend the Medical Centre if they are patients of this practice and who live **within a 2-km radius**.

Patients are better assessed in a **fully equipped surgery**, and we encourage all patients to make every effort to attend the surgery if possible.

Home Visits are **not Direct Billed to Medicare, with a minimum fee of \$200.00**.

Home visits are performed during the doctor's lunch breaks or on their way home from work. Please give us plenty of notice if a home visit is required.

### **AFTER HOURS MEDICAL COVER - phone 137425**

For all afterhours we use NATIONAL HOME DOCTOR SERVICE which is a bulk billing service for all Patients or alternatively present to Gold Coast Private Hospital at 14 Hill Street Southport Fees are involved for this service.

### **IMMUNISATION HISTORY FORMS**

If you need an Immunisation History Form completed there are fees involved:

These fees are Non-Refundable with Medicare.

***If it is a Medical Emergency always ring 000.***

## APPOINTMENT SYSTEM

Patients are seen in order of appointments, unless if there is an emergency.

Please ask for an **extended appointment** if you have several problems, as this will be helpful in keeping on time for other patients during the day.

We have **10%** of our appointment times available at the start of each day for urgent fit in appointments, allowing patients every opportunity of access to their doctor if an emergency arises.

Inappropriate use of emergency spots prevents the seriously unwell from access to their doctor. Therefore, when you make an appointment, please inform the receptionist if your visit is **routine / follow-up / urgent**.

We urge patients to see their own Doctor always. Reception staff will always ask "Who is your regular Doctor" when you make an appointment, Continuity of care is very important.

## REMINDER REGISTER

We have a reminder system for **Pap Smears, Diabetes Register and Childhood Immunisations**, enabling these patients to have regular check-ups. If you wish to be added to our recall system, please ask one of our receptionists. This is an 'opt' in or 'opt' out system, so at any time you wish to change please inform reception staff.

## REMINDER SMS

We send reminder SMS messages for ALL appointments. We need consent from patients to be able to do this. Please inform reception if you do not consent to SMS reminders.

## RESULTS

All results are checked by your Doctor. We have a buddy system if your Doctor is away.

**Normal results** - Patients will not be notified.

**Abnormal results** - Patients will be notified by SMS & phone for a Non-Urgent Appointment.

**Major abnormal results (Urgent)** – Patients will receive a call from the practice, in which case the patient will be seen within 24 hours.

X-rays, Ultrasound, CT & MRI's need to be followed up with the patient, please make another appointment after having these done.
